

AquaBurst Beverages – Marketing Strategy Document

(Fictitious Healthy Beverage Brand Launch)

1. Executive Summary & Market Opportunity

Company Overview:

AquaBurst Beverages is a new entrant in the functional beverage market, offering a line of **sparkling, vitamin-infused drinks** with zero sugar, natural flavors, and eco-friendly packaging.

Market Opportunity:

- Global functional beverage market size: **\$158B (2025)**, growing at **8% CAGR**.
- U.S. sparkling water & functional drinks segment: **\$12B+**, driven by health-conscious millennials and Gen Z.
- Key trend: Consumers shifting away from sugary sodas toward **low-calorie, wellness-focused options**.

Strategic Goal:

- Capture **1% market share in the U.S. functional beverage category** within 24 months.
 - Build a **direct-to-consumer (DTC) brand** with retail partnerships in Year 2.
-

2. Target Audience & Buyer Personas

Primary Customer Segments:

- 1. Health-Conscious Millennials (25–40 years old)**
 - Urban professionals, fitness enthusiasts, seeking alternatives to soda.
 - Values: wellness, transparency, sustainability.
- 2. Gen Z Consumers (18–25 years old)**
 - Trend-driven, highly active on social media, value eco-friendly brands.
 - Motivated by fun, Instagrammable products.
- 3. Busy Professionals (30–50 years old)**
 - Seeks quick, healthy refreshment during workday.
 - Values: convenience, productivity, functionality.

Buyer Personas:

- “Fit Fiona” – 28, fitness instructor, buys weekly multipacks at Whole Foods.
 - “Trendy Tyler” – 22, college student, discovers brands via TikTok challenges.
 - “Corporate Chris” – 38, mid-level manager, stocks beverages in office fridge.
-

3. Competitive Landscape & Positioning

Competitors:

- **LaCroix** – Popular sparkling water, lacks functional benefits.
- **Vitaminwater** – Functional benefits, but high in sugar/artificial additives.
- **Liquid Death** – Strong brand identity, but focuses on plain water.

Positioning:

AquaBurst will position as “**the healthy, fun, and functional beverage**” that delivers hydration + vitamins in a stylish, eco-friendly package.

Differentiation:

- **Zero sugar, all-natural** ingredients.
 - **Functional add-ons:** Vitamin C, electrolytes.
 - **Eco packaging:** 100% recyclable aluminum.
 - **Brand identity:** Vibrant, bold, and social-first.
-

4. Marketing Channels & Campaign Strategy

Launch Campaign Theme:

“Fuel Your Flow” – Energy, hydration, and health for every moment.

Channels:

- **Social Media (40%):** TikTok, Instagram reels, influencer partnerships.
- **Digital Ads (20%):** Google Ads, YouTube pre-roll targeting health/fitness.
- **Events & Sponsorships (25%):** Fitness festivals, yoga retreats, college events.
- **Content Marketing (10%):** Wellness blog, recipe guides, hydration tips.
- **PR (5%):** Launch press release, lifestyle magazine features.

Tactics:

- TikTok hashtag challenge: #BurstOfEnergy.
- Influencer seeding to fitness coaches and lifestyle bloggers.
- Pop-up tasting booths in gyms and coworking spaces.

- Referral program: “Give a 6-pack, Get a 6-pack.”
-
